

Hybrid Asparagus **GRANDE F1**

Grande F1 is an early hybrid. Deep green compact head buds.

Buds are big, ideal for fresh market.

Good vigor, for spring early and prolonged harvest, thanks to high tolerance also to hot temperature.

Disease resistances/tolerance: Fusarium, Asparagus Rust (*Puccinia asparagi*), and Asparagus Latent Virus race 2.

Plantation: m 1,50 between rows and 15-20cm between plants on the line.
